**AMENDMENT TO THE DECLARATION OF
COVENANTS, RESTRICTIONS AND
EASEMENTS FOR FISHHAWK RANCH**

This Amendment is made this _____ day of _____, 1998 by Fishhawk Communities Limited Partnership, a Florida limited partnership ("Declarant").

Whereas, Declarant has previously recorded that certain Declaration of Covenants, Restrictions and Easements for Fishhawk Ranch, recorded at O.R. 8632, Page 1126 of the public records of Hillsborough County, Florida (the "Declaration"); and

Whereas, the Declaration provides in Article IX, Section 9.02 for amendment by the Declarant during any period in which Declarant retains the right to appoint and remove any directors and officers of the Association; and

Whereas, Declarant retains the right to appoint and remove any directors and officers of the Association pursuant to Article III, Section 3.08 of the Declaration; and

Now, Therefore, the Association does amend the Declaration as follows:

1. The provisions of Article II, Section 2.08 are hereby added to provide as follows:

2.08 (a) Private Streets and Drainage Improvements. Any private streets that may be constructed or created by the Declarant as part of the subdivision improvements or otherwise, shall be maintained by the Association in the same condition and appearance as constructed or created. The Association may, by adoption of the budget, establish reserves for the replacement of paving and other capital elements or improvements.

(b) Access Easement. Declarant hereby grants to each Owner served by a Private Street, their guests, invitees, residents, and visitors, and emergency personnel and agencies, utilities providers, guests and invitees of the Association, and reserves to itself, its employees, agents, contractors, and invitees, a perpetual and non-exclusive easement over the Common Property constructed as streets

and roadways, for the purposes of ingress and egress to any area of the Property. This easement shall not extend to other Owners not assessed as part of the special benefit area. Fire, police, health, sanitation (including trash collection) and other public service personnel and vehicles shall have and are hereby granted a permanent and perpetual easement for ingress and egress over and across any private streets.

(c) Entry Gates. By acceptance of a deed to a Lot within the Property, Owner agrees that the Association and the Declarant have no obligations whatsoever for providing protection to persons on the Property. Furthermore, Owner acknowledges that the Property may have one or more gates at various entrance locations to assist in attempting to limit access to the Property, or certain portions thereof, to the residents therein and their invitees. Owner acknowledges and agrees, however, that such gates will be open during the hours for which Declarant needs access to the model homes, construction trailer(s) or for the development of the Property or construction of homes. After Declarant notifies the Association through its Board of Directors that Declarant no longer needs such regular access, the Association will determine the hours, if any, for which a gate will be open. Owner further acknowledges and agrees that a gate does not guarantee the security of Owner's personal safety or security of Owner's property. Owner acknowledges that the Declarant and the Association have no control over said gates and Owner hereby releases Declarant from all liability related to the gates. Owner agrees that it shall be the sole and exclusive obligation of Owner to determine and institute for themselves the appropriate security and any other precautions to protect from and against trespass, criminal acts and any other dangers to Owner's safety and security of their property, because the any gate in and of itself will not protect Owner from and against said risks and dangers. Owner further agrees that the Declarant and the Association shall have no obligation whatsoever for providing protection to Owner or the Property from conditions existing within public or private streets, parks or common areas. Owner agrees that the Declarant and the Association shall not be liable for injuries or damage suffered by Owner resulting from any failure, defect or malfunction in any gate or equipment or personnel related thereto or acting in place of the gate (i) to restrict the Property to the residents and their invitees; or (ii) that limits the ability of Owner to leave or exit the Property by means of the gate.

2. The provisions of Article IV, Section 4.15 are hereby added to provide as follows:

4.15 Special Benefit Assessments. The Board shall have the power to assess Owners in a special benefit area an annual assessment for Common Property, including private streets, used exclusively to

promote the recreation, health and welfare of the residents within the special benefit area of the Property. Such assessment shall include (I) the operation, management, maintenance, repair, servicing, renewal, replacement and improvements of the Common Property specific to such special benefit area and the establishment of reserve accounts therefor; and (ii) the cost of labor, equipment, materials, management and supervision of the Common Property specific to the special benefit area; and (iii) all other general activities and expenses of the Association which are specific to the special benefit area.

3. All other provisions of the Declaration shall remain in full force and effect.

IN WITNESS WHEREOF, the Declarant has executed this Amendment on the date stated above.
